From World President: Thembeke Pama

Lenten greetings to you all my Brothers and Sisters.

My world secretary made a suggestion to me that the Presidential Chat for the month of April be part of the quarterly newsletter. This, I

gladly accepted and further suggested that we do the same for the next three publications.

This quarter has been and always will be the busiest time in our Christian faith. It is also the month which requires us to make some introspections in our personal lives and also in our roles as leaders of the young ones. As I pen down this article, it strikes me that today, the 25th of March, we should be celebrating "The Annunciation of our Lord to the Blessed Virgin Mary", also known as Lady Day. Lady Day is one of the most important events that are celebrated by the Mother's Union and as we know, GFS is tied at the hip to the Mother's Union.

This has led me to have an interest and look at the MU's theme for the 2019 which is: **Listen, observe, act – in step with God.** (<https://www.mothersunion.org/resources/2019-theme-listen-observe-act-step-with-god>). In their bible reflections, they have chosen 2 verses for each of the theme's elements as I have listed them below for each of us to find and meditate on them.

Jesus listens: Mark 1:40-42 & Matthew 20:30-34

Jesus observes: Matthew 14:13-14 & Matthew 9:36-10:1

Jesus acts:

Whenever Jesus listened and observed it led to action

- Consider the different ways Jesus acted in response to what he heard and observed, and his motivation for his actions
- Reflect on the qualities that we do or should display as we respond to what we hear and observe
- What can we learn from Jesus' actions as to how we can reach out to the needs of the crowds (engage with our wider community?)

When South Africa was handed the responsibility of hosting the 2020 GFS World Council, somehow in my mind, and I admit that also with my team, we thought that we had ample time to pull everything together. Beginning of this year, we realised that we are only left with 18 months and as you receive this newsletter the 18 has become 15 months. We hope that this will be a wake-up call for those who have not yet started with their fundraising drives to be part of the African experience! Towards end of last year, we had requested countries to send us estimated numbers of delegates who might be attending council and this we understand would be a challenge for many countries. We are hoping that with the conference fees being declared and application forms having been sent out beginning of March 2019, we will be getting some feedback in the next quarter. We do hope that by now all branches have received the application form with the information sheet.

During this quarter we have also seen some of the South African branches renewing their commitment to the GFS cause by launching Orange Day, having Gender-Based Violence workshops and making a pledge to be good stewards by taking better care of the environment in their respective areas.

In our daily lives, we take out insurances for different eventualities but in so doing, there is always a clause stating - Acts of God provisions, also called "**Force Majeure**". This clause has become a reality for people affected by Cyclone Idai in Mozambique, Malawi and Zimbabwe between 3 and 21 March 2019. It is recorded that approximately 122 deaths occurred in Malawi and Mozambique from the flooding that preceded Idai's second landfall; and at least 402 deaths occurred in Mozambique and 259 in Zimbabwe after Idai made its second landfall. Let us continue to keep these countries in our prayers during the mop-up period and as they start to rebuild their lives. We hope to hear from our Mozambique national president how Cyclone Idai has impacted GFS areas and her work in the country.

Christchurch massacre has been the latest shock to the world and should be raising our conscience as Christians as to what are we saying about these attacks? We have seen these faith-based related intolerances taking place in different parts of our world. What message are we passing on to the girls and boys we are raising going into the future? They go to schools, grow up playing with all these diverse religions. What goes through their minds when such incidents happen? If we say we offer our prayers, is that enough? What are our actions to curb such intolerance?

During this time of Lententide, let us find ourselves, listen attentively to what God is saying to us, observe what is happening around us, the people we live with, within our churches, in the world and the impact we are making to our environment and most of all look at our actions. What do our actions say about us? Let us ask ourselves whether we are true to our own theme "bear one another's burdens, so as to fulfil the law of Christ"?

Much love

GREETINGS FROM GFS IN IRELAND

Our GFS season is well under way. We all enjoyed a busy Christmas where we held the traditional Carol Services and our members brought toys to be given to children in our communities who were not as fortunate as they are and who could enjoy receiving a toy over Christmas time. Our important work in formally recording and evidencing our policies and procedures continues well, but it takes time to record many processes that have evolved since GFS started here in Ireland over 140 years ago.

Within our branches our Bible Study Work and handicraft work is coming to an end with our entries to be ready for the competitions to be held over the Easter period. There are two Diocesan residential camps due to be held over Easter and we pray God's protection over the leaders, helpers and girls attending the camps being organised by Armagh, and Cashel, Ferns & Ossory Dioceses.

Sadly, many of our members have experienced bereavement and we pray that our Lord Jesus Christ, who himself knew the pain and loss of bereavement continues to be their comfort and strength in these days. These times give us an opportunity to put our motto into operation of 'Bearing one another's burdens'

On a very happy note, many of the GFS worldwide family will remember Mrs Emila Corrigan, our past World-Wide President who celebrated her 80th birthday. The photo attached shows Emila with the flowers

that GFS in Ireland sent her with our best wishes and love on celebrating such a wonderful birthday.

EPISCOPAL CHURCH OF LIBERIA

The Girls Friendly Society (GFS) of the Episcopal Church of Liberia, celebrated its 65th anniversary from September 28 - 30, 2018 in Monrovia, Liberia. The Theme for the celebration was "Be the Light for all to See." The text was taken from Matthew 5:16. Our World President did not make it to the program but she sent a message which we played for all to listen to. We had a guest from the Republic of Guinea, Mrs. Sarah Aboise Sylla, who represented both the Mother's Union of her parish and the incoming GFS in Guinea. The attendance and participation of the GFSERS, other organizations of the Diocese and other groups was good. In December, 2018, GFS-Liberia joined other GFSers for a meeting of the African Council in Kigali, Rwanda. It was a good meeting. We are looking forward to meeting our sisters in South Africa in July, 2020. Meanwhile, GFS-Liberia is preparing to commence its ECO project shortly. Our theme is "Make Liberia Plastic Free."

GFS England

In memory of Jean Riggs - born on 25th December 1938 (Christmas Day) and died on 13th October 2018.

When Jean's death was announced, it was amazing how many people contacted me with their memories.

I went on to ask all GFS friends Worldwide to put their thoughts about Jean, on an email

to me. We gathered together on the day of Jean's Funeral, 8th November 2018. Several GFS members met together with a Church full of Jean & Sid's family, relations, Church representatives and friends.

I was asked to read a few of the GFS comments I had received, at the funeral, (by now these numbered over 80 emails from GFS World Wide).

It was a joy to hear how Sid & Jean committed themselves to the people of all the Parishes, where they lived. We knew Jean through the Girls Friendly Society but many people knew her from the friendship that she spread around our world. GFS World President had opportunity of staying with Jeanne in her house for 2 weeks in SA during GFS South Africa 1999 World Council hosting. *Kind regards.*

GFS Sri Lanka

Highlights of recent events

- Service to the Community: "A Healthy You" - A free public awareness seminar on "Surviving Cancer" and "Lifestyle, Obesity & Diabetes" conducted by two doctors. This was a very informative programme and greatly appreciated by the general public.
- Lending a Hand: GFS Stall at annual Bible Society Sale - The GFS ran a miscellaneous stall and gifted the proceeds to the Bible Society.
- Free Distribution of medicinal plants
- Concert & Sing Along with a popular music group

- Observed monthly Orange Day as much as possible.
- World Day of Prayer
- Christmas Caroling - The GFS visited the homes of senior GFS members and 3 institutions for senior ladies and made them happy by singing carols and gifting fruit baskets.
- World Project: Speech Contest - The GFS organized a speech contest for the girls following the English Course of the American College of Higher Education, Colombo.

They spoke on one of three designated topics and it was rewarding listening to these confident young women who had obviously benefitted from the intensive study of the English language - an opportunity provided to them by the GFS.

Sri Lanka is grateful to GFS countries worldwide for their generous donations and prayers that make this project possible.

- New Hostel - Plans are being drawn up. Please pray for this.
- Upcoming Programmes –

- March Market
- Award Ceremony for girls of the World Project
- World Project Visit by World Vice President
- Free Medical Camp
- Craft Competition
- Beach Clean Up
- Hospital visits
- Visits to outstations in connection with the World Project

NEWS FROM ZAMBIA

Greetings to you all in the mighty name of our Lord. It was so exciting to have traveled over 300km in one of the rural areas of Central Diocese of Zambia where we enrolled over 300 girls and women.

Indeed, it is now the rural areas understand GFS now especially that the church and the government is working together to see to it that early marriages come to an end to school going girls and those that are not in school have places in school. some of the pictures for the girls and the country Leadership.

NEWS FROM GFS AUSTRALIA

In January we trialled a new way of meeting for our National Annual General Meeting and allowing a time for fellowship. We extended an invitation to all GFS Australia members to gather in Brisbane for a weekend together with sightseeing, a meeting, dinner and worship all part of our time together. I am happy to say from all the evaluation we received, it would appear the decision to 'try something new' was a success and as always offered opportunity for improving the whole experience. It is very encouraging as we look to plan future events. We were able to share our new vision and purpose with everyone, modelling how we applied this to consider the work of GFS Australia as it applied and then a smaller diocese. Our Vision declares that GFS Australia is .."a place of friendship and belonging where God's love is shared".

Our GFS members gathering together to share our AGM in January, 2019

time we were there we were able to also meet my niece, who is often there and

travel to Hiroshima. Whilst confronting, I found the whole experience a very positive one and have been doing lots of reflection on the experience. What struck me the most was despite the devastation that the whole place had experienced, the general sense was one of learning and not wanting this, or similar, to ever have to happen to anyone again. Which left me thinking about Mercy. Which of course I don't have to remind you all is part of our current National Theme.

Cheryl sharing a cup of tea with Tania – previous World Secretary

Mercy is a feeling of compassion with someone's suffering and needs, along with a desire or readiness to help them according to one's possibilities. It is therefore more than a merely emotional sentiment that does not lead to action.

Mercy must come from true charity toward our neighbour, a bearing of our neighbours' burden and must be entirely subject to the guidance of reason, the judgment of the intelligence, and the dictates of justice. In turn I was taken to

reflect on the quote from Thomas Aquinas, "*Mercy without justice is the mother of dissolution; justice without mercy is cruelty.*"

When we take a look at our world today and ask, "What can we do?" There is much especially as part of GFS. I ask you all to take a good look at all the information that comes to you through GFS (Prayer for our own members, Orange Day, Environmental Projects, Education for all....) and consider what you and your GFS group can act upon to

bring more Mercy into this broken world as we embark on our Lenten Journey.

Yours in GFS,
Reverend Canon Cheryl Selvage

NEWS FROM MOZAMBIQUE

The coordinators of Girls Friendly Society in the Diocese of Lebombos began its activities on March 4, 2019, culminating in a Mass, held in the Parish of Bem Aventurada Virgem Maria do Trevo and was led by the chaplain of the GFS in the Diocese. After the Mass, a meeting was held with a part of the GFS coordinators, whose objective was to analyze the proposal of the GFS activities plan for the year 2019, as the images illustrate.

On March 24, 2019, the GFS coordinators prayed in the parish of São Marcos da Matola 700, after the Mass, a meeting was held with part of the coordinators of the GFS, where from various points of the agenda, analyzed and approved the proposed of GFS activities plan for the year 2019, as the image illustrates.

GFS Rwanda

GFS Rwanda hosted GFS-Africa conference from 6th - 9th December 2018 at Kigali Diocese around the theme; **"Empowerment through capacity building, awareness of rights and dignity enhancement of the African girl child with emphasis on John 16:33"**

The conference brought together 12 countries - Kenya, Uganda, Tanzania, South Sudan, DRC, Zambia, Sierra Leone, Liberia, South Africa, Ghana, USA and Rwanda the host.

WORLD STRUCTURE

These are the two final clauses in our Rules of Management. There have been many emergencies throughout our world and country leaders should be aware of the fund and the guidelines which would allow GFS Country leaders (through their Archbishop) to apply for emergency funds. We need more donations to the fund so that we are ready should the need arise.

The Web page is only as good as the information provided. I would ask all country leaders to read the information about their country and update me with information. (Please note that the five new countries of DRC, Malawi, Tanzania, South Sudan and Zimbabwe are not yet on the web but I would appreciate receiving information so I can complete these pages. Note also the requirement regarding photos of children under the age of 18 shown on our website. It is necessary for you to have the permission of the child's parent or guardian before submitting the photo for printing.

Rules of Management for GFS Worldwide.

9.1 World Emergency Relief Fund

The purpose of the World Emergency Relief Fund is to assist GFS member countries with funding of emergency relief efforts in their countries in times of crisis, extreme circumstances, or natural disaster.

- Funds can be distributed in response from a member country in need, or at the discretion of the World President in consultation with the World Executive or World Team.
- Requests must be made in writing by a member country's GFS President/Chairman in liaison with

their appropriate Bishop. The request shall include a description of the need and relief sought. All requests are to be received by the World President. Other members of GFS, who see a need are to be encouraged to contact their country's GFS

President/Chairman, who can in turn contact the World President.

- Upon receipt of a request, the World President will immediately advise all member countries of the need and opportunity to donate to the fund.
- The account will be funded by donations. Up to 50% of the fund can be accessed for any single request until the funds are replenished. Upon replenishment additional funds can be disbursed.
- In most instances, requests for World Emergency Relief Funds will be seeking funds urgently. To ensure funds are received when needed most, the GFS World President will immediately seek advice and endorsement from the GFS World Team to provide funds.
- The World President/World Treasurer shall disburse the funds to the requesting GFS member country's President/Chairman in conjunction with their Treasurer.
- Member countries given World Emergency Relief Funds shall provide the World President with a written acknowledgement of the receipt of the funds and a description of how the funds were used within six (6) months of receipt of the monies.
- Countries receiving funds will present a brief report on the use of these funds at the World Council that immediately precedes the request and receipt of these funds.
- **GFS World Website**
The World Council will manage and maintain a GFS world

website.

1. The **purpose of the GFS world web site** is:

- To promote the organization GFS, its purpose and ministries throughout the world, by providing information about GFS' history, structure, rules and policies and current activities.
- To encourage new membership by providing a link to the World President for further information.
- To provide a link between current GFS countries with prayer information, newsletters and dissemination of information.
- To provide access to web pages and contact information for GFS member countries.

1. **Maintenance of Website.**

The incumbent GFS World President will maintain a domain host, list a web name and pay all costs from the GFS World operating account to maintain the website.

- The responsibility for maintaining the website will rest with the current World President but may be delegated to another country with the skills to maintain the website.
- This decision will be made by the World President, in conjunction with the incoming World President when the next host country is approved.
- From 4 August 2014 to 19 July 2017 the registered domain will be www.gfsworld.org and will be managed through GFS Australia Inc.
- The host country or the country maintaining the website on behalf of the host country will appoint a Webmaster who will hold the necessary skills to maintain the website. Such appointment must

be approved by the current World President.

10.3 World Website Information.

- Member countries of the World Council have an obligation to ensure that any information on the website pertaining to their country is kept up to date.
- Member country Presidents/Chairmen should appoint a member within their own country to liaise with the World Webmaster to ensure that there is a regular review of the information relating to their country.
- Any photos of children (under the age of 18) will only be posted to the website if the President/Chairman of the country providing the photo can assure the World Webmaster that permission to post the photo has been obtained from the parent or guardian of the child/children. A process should be in place in each country to ensure this permission.
- The names of children under the age of 18 will not be used on the GFS website or within the GFS World Newsletter unless express written permission has been provided by the parents/carers of that child/children. Names of children under the age of 18 will only be used where relevant to a specific story.
- As the World newsletter is posted to the World Web page the permission to use a photo of a child/children should also be included when submitting articles and photos to the World President for use in the World newsletter.

Val Gribble (World Vice-President)

Editors Note

Lenten greetings to the National Presidents and Secretaries, to GFS Worldwide. For the first time since we have started the newsletter, I have allowed the President to be the voice on behalf of what we put together in the quarterly newsletter.

I would personally like to thank everyone for your inputs, adhering to our requests. To our Vice President – Val, for your wisdom behind the scenes and helpful comments that allow us to grow and improve on our publication.

Our next newsletter will be out on or before **1 July 2019**. Please do note the submission deadline has been changed to **7th of June 2019**. May is our election month in South Africa, and being involved with the Conflict Resolution team in my province, we have decided with the president to extend the deadline as we were not aware of the election date and was also not that involved with the Electoral Commission.

Reports that are more than a page and a half (1½) will in future be attached directly to the the GFS Worldwide website and can be read online www.gfsworldwide.org

When we send out our next newsletter, it will be way past Easter and for us in the southern hemisphere starting to feel the pinch of winter.

As you celebrate the blessing of Easter do remember that the risen Christ is celebrated in every opened flower, in every beam of nourishing sunlight,

in every humble patch of green beneath our feet.

Lots of Love - Pumeza
